

UNIVERSITY OF AZAD JAMMU & KASHMIR

Department of Software Engineering

Assignment 2

"Admission Open" Brochure Design

Student Name: Qousain Haider

Roll Number: 2024-CET-13

Course: Graphic Design (ST-2205)

Course Instructor: Engr. Ahmed Khawaja

Submission Date: June 6, 2026

- 3. Design Specifications
- 4. Design Rationale
- 5. Source & Credit List
- 6. Student Deliverables Checklist

1. Introduction

This assignment presents a complete design solution for an "Admission Open" brochure for the Department of Software Engineering at the University of Azad Jammu & Kashmir. The brochure is designed as a **tri-fold brochure** in A4 landscape format, which is the industry standard for admission marketing materials. The design communicates the department's identity, program highlights, admission information, and includes a clear call-to-action for prospective students and their parents.

Brochure Overview

- **Format:** Tri-fold brochure (A4 Landscape)
- **Resolution:** 300 DPI (print-ready)
- **Color Mode:** CMYK for print, RGB for digital
- **Software:** Adobe Illustrator / Figma
- **Target Audience:** Prospective undergraduate students and parents

2. Brochure Content Design

The tri-fold brochure consists of six panels: three on the front side and three on the back side. Each panel is designed with a specific purpose to create a cohesive and persuasive admission marketing piece.

2.1 Front Panel / Cover Design

The front panel serves as the first impression and must immediately capture attention while communicating the core message.

Panel 1: Front Cover

Headline: "ADMISSIONS OPEN"

Sub-headline: *"Fall 2026 Intake — Department of Software Engineering"*

Department Name: Department of Software Engineering

University Name: University of Azad Jammu & Kashmir, Muzaffarabad

Session/Year: Academic Session 2026-2030

Tagline: *"Code Your Future — Build Tomorrow's Technology Today"*

Visual Elements:

- University logo prominently placed at top-left corner
- Abstract code/matrix background pattern with subtle blue gradient
- Software engineering icons (brackets, code symbols, circuit patterns) as decorative elements
- High-quality image of modern computer lab or students working collaboratively

2.2 Inside Panels

Panel 2: Program Overview

Title: "About Our Program"

The Bachelor of Science in Software Engineering (BS SE) is a four-year degree program designed to produce industry-ready software engineers. Our curriculum is aligned with international standards and regularly updated to meet evolving technological demands.

Program Highlights:

- 4-Year comprehensive degree program (8 Semesters)
- 130+ credit hours combining theory and practical work
- Recognized by Pakistan Engineering Council (PEC)
- HEC-approved curriculum with industry input

Panel 3: Key Courses & Areas

Title: "What You Will Learn"

Table 1 Core Curriculum Areas

Area	Key Courses
Programming Fundamentals	Programming Fundamentals, Object-Oriented Programming, Data Structures & Algorithms
Database Systems	Database Management Systems, Advanced Database Concepts, Big Data Analytics
Artificial Intelligence	Introduction to AI, Machine Learning, Deep Learning, Natural Language Processing
Web & Mobile Development	Web Engineering, Mobile Application Development, Full-Stack Development
Software Project Management	Software Project Management, Agile Methodologies, DevOps Practices
Final Year Project	Capstone Project I & II — Industry-supervised real-world projects

Panel 4: Why Choose Us

Title: "Why Choose Department of Software Engineering?"

6 Convincing Points:

- 1. Highly Qualified Faculty:** Our faculty holds PhDs and MS degrees from renowned international and national universities with extensive teaching and industry experience.
- 2. State-of-the-Art Labs:** Dedicated software engineering labs equipped with modern hardware, high-speed internet, and licensed development tools including cloud computing access.

3. **Industry-Relevant Curriculum:** Curriculum designed in consultation with industry experts to ensure graduates possess skills currently in demand in the job market.
4. **Project-Based Learning:** Emphasis on hands-on learning through semester projects, coding competitions, hackathons, and collaborative team projects.
5. **Internship Opportunities:** Strong partnerships with leading IT companies providing internship and job placement opportunities for students.
6. **Excellent Career Prospects:** Graduates employed at top tech companies, pursuing higher education abroad, or launching successful startups.

2.3 Admission Details

Panel 5: Admission Information

Title: "How to Apply"

Eligibility Criteria

- Intermediate (FSc Pre-Engineering / ICS / Equivalent) with at least 50% marks
- Entrance test clearance (UAJK Admission Test or NTS)
- Merit-based selection as per university policy

Application Process

1. Visit the UAJK admissions portal: **admissions.ajku.edu.pk**
2. Create an account and fill out the online application form
3. Upload required documents (scanned copies)
4. Pay the application fee through designated bank or online
5. Submit application and print the confirmation receipt
6. Appear for entrance test on the scheduled date
7. Check merit list and complete fee submission if selected

Important Dates (Fall 2026)

Table 2 Admission Schedule

Event	Date
Application Opening	July 1, 2026
Application Deadline	July 31, 2026
Entrance Test	August 10, 2026
Merit List Display	August 20, 2026
Fee Submission Deadline	August 30, 2026
Classes Begin	September 15, 2026

Required Documents

- Matriculation Certificate / Result Card
- Intermediate Certificate / Result Card
- CNIC / B-Form (copy)
- Domicile Certificate
- Recent passport-size photographs (4)
- Character Certificate from last institution
- Entrance Test Roll Number Slip

2.4 Call to Action

Panel 6: Back Panel (Contact & CTA)

Title: "Take the First Step — Apply Today!"

Primary Call to Action:

- **"APPLY NOW"** — Large button linking to admissions portal
- **"VISIT DEPARTMENT"** — Invitation for campus tour and consultation
- **"SCAN QR CODE"** — QR code linking to online application form

Contact Information

Table 3 Department Contact Details

Contact	Details
Department Office	Department of Software Engineering, Faculty of Engineering, UAJK
Location	University of Azad Jammu & Kashmir, Chehla Campus, Muzaffarabad
Phone	+92-5822-960407
Email	se@ajku.edu.pk
Website	www.ajku.edu.pk/se
Office Hours	Monday to Friday, 9:00 AM — 4:00 PM

2.5 Branding Elements

Consistent Branding Guidelines

Color Palette:

- **Primary Blue:** #0A2D5E (University identity, headings, borders)
- **Accent Gold:** #F0C040 (Highlights, CTAs, decorative elements)
- **Secondary Blue:** #1A5FA8 (Sub-headings, icons, links)
- **Neutral Gray:** #555555 (Body text, descriptions)
- **Light Background:** #F5F8FC (Panel backgrounds, info boxes)

Typography:

- **Headings:** Montserrat Bold (modern, professional sans-serif)
- **Body Text:** Open Sans Regular (highly readable, clean)
- **Accents/CTAs:** Montserrat SemiBold

Visual Hierarchy:

- Large, bold headlines for section titles
- Icons accompanying each key point for visual appeal
- Consistent spacing and alignment throughout
- University logo and department branding on every panel

3. Design Specifications

Table 4 Technical Specifications

Specification	Details
Brochure Format	Tri-fold (A4 Landscape — 297mm x 210mm)
Folded Size	99mm x 210mm (each panel)
Software Used	Adobe Illustrator / Figma (recommended)
Resolution	300 DPI (print-ready quality)
Color Mode	CMYK for print; RGB for digital version
Bleed	3mm on all sides
Safe Margin	5mm from fold lines
Typography	Maximum 2-3 font families (Montserrat, Open Sans)
Images	Copyright-free or self-created; minimum 300 DPI
Icons	Flat design icons from Flaticon or Font Awesome

4. Design Rationale

The tri-fold brochure layout was chosen for its proven effectiveness in educational marketing, allowing six distinct content zones while maintaining portability. The layout follows a Z-shaped visual flow: the front cover captures attention with bold "ADMISSION OPEN" typography and university branding; inside panels progress logically from program introduction to course details to persuasive "Why Choose Us" points; and the back panel consolidates all actionable information and contact details.

The color scheme draws from the University of Azad Kashmir's institutional identity — deep navy blue conveys academic excellence and trustworthiness, while gold accents add warmth and draw attention to calls-to-action. This combination creates a professional yet approachable tone that appeals to both prospective students and their parents.

Montserrat and Open Sans were selected as the typeface pairing because they offer excellent readability at various sizes while projecting a modern, tech-forward image appropriate for a software engineering department. The hierarchy is established through weight and size variation: bold 28pt headlines, 14pt subheadings, and 10pt body text ensure clear information scanning.

The target audience comprises primarily FSc/ICS graduates aged 17-20 and their parents. The design therefore balances youthful energy (through dynamic layout and accent colors) with reassuring professionalism (through structured information and institutional branding) to address both demographics' concerns.

5. Source & Credit List

- **University Logo:** University of Azad Jammu & Kashmir Official Logo — www.ajku.edu.pk
- **Stock Images:** Unsplash.com and Pexels.com (copyright-free, Creative Zero license)
- **Icons:** Font Awesome (free license) and Flaticon.com (attribution license)
- **Typography:** Montserrat and Open Sans — Google Fonts (OFL license)
- **Brochure Template:** Original design; not based on any pre-existing template
- **Color Inspiration:** University of Azad Jammu & Kashmir brand guidelines

- **Information Sources:** UAJK official website and Department of Software Engineering prospectus

6. Student Deliverables Checklist

Table 5 Required Submission Files

#	Deliverable	Format	Status
1	Final Brochure	PDF (Print-ready, 300 DPI, CMYK)	Completed
2	Editable Design File	.ai (Adobe Illustrator) / .fig (Figma)	Completed
3	Preview Images	PNG/JPG (Front & Back sides)	Completed
4	Design Rationale	PDF Document (100-150 words)	Completed
5	Source/Credit List	PDF Document	Completed
6	GitHub Repository	github.com/qousain-haider/assignment-2	Completed

Academic Integrity Statement

I, **Qousain Haider** (Roll No: 2024-CET-13), hereby declare that this assignment has been completed by me independently. The brochure design is an original work created for the Department of Software Engineering at the University of Azad Jammu & Kashmir. All images, icons, and fonts used are either copyright-free, self-created, or properly credited in the source list above. AI-generated visuals, if any, have been edited and are disclosed in the credit list.
